

PRESIDENT'S CORNER

Annual Election Wrap-Up – At the March Board meeting, the annual election process concluded with counting of the submitted ballots. For the two Board positions up for election, Alan Robinson (91 votes) and Mitra Sadeghi (83 votes) were elected. The Tax Reduction Resolution was passed with 93 votes in favor and 2 votes against. Thanks to all those who voted!

Board of Directors Opening – The Board is looking for a HOA member to step into an at-large Director role and serve out the term remainder (until the early '26 election). If you are interested to serve or would like to discuss the possibility, please contact me at president@sugarloafhoa.org. Your Board would appreciate your help in keeping our community and HOA a great place to live.

Electronic Documentation – We have only about half our members receiving routine via email, such as this newsletter. If you'd like to transition communications to using email rather than snail mail, please contact PML (sabrina@pmlmanagement.com). Electronic distribution saves the HOA (and you) money!

What's on the Board's Mind?

Important HOA Business This Month:

Complete Annual Election Process – Now that the Director positions up for election have been determined, the Board will elect officer positions at the April Board Meeting.

Updating HOA Operating Rules – The updated Fine Policy is now effective as of March 25, 2025. The policy now includes fines for not picking up after dogs or not removing unlicensed vehicles from view, and is posted on our website. The Board does not relish the idea of assessing fines on HOA members, but sometimes needs to go down this path for the benefit of the community.

Thanks for supporting our HOA!

Bob Kiss, HOA President (president@sugarloafhoa.org)

COMMITTEE REPORTS

Architecture:

Annual Exterior Audit Status Update – Thanks to those homeowners who have responded to the audit findings by taking corrective actions. Deadlines have now elapsed, so the Board will be taking next steps, as appropriate.

Exterior Changes Reminder - Per our CC&Rs Section 7, exterior changes require HOA approval (includes, but not limited to, painting, roofing, fences, windows, balconies, solar panels, driveways & walkways, decks, other structural changes). Landscaping (plants) and modifications exclusively on the home interior do not typically require approval. There is often a neighbor notification requirement that triggers a need for HOA approval. If in doubt, please ask – you can email or call the committee chair.

Landscape:

The following service items were completed recently by the HOA landscaping contractor:

- Litter removal from sidewalk areas weekly
- Weeded common area grasses behind Douglas Ct units
- Weeded grasses on slope near 1858 Parkwood
- Leaf/debris removal from Broadview visitor parking area

Large Tree Maintenance – Please note that the HOA maintains an ongoing tree maintenance program based on an arborist's survey of our catalogued large trees near homes. A portion are serviced each year on a rotating basis. The 2025 schedule work will be planned for around mid-year.

Property Maps – San Mateo County property line maps can be found on the web site under Residents/Landscape. Password is the same as for our Governing Documents.

Irrigation System Status – Irrigation system was turned ON in March. Contact PML if you observe any issues. Please don't touch the equipment unless it is an emergency. Start-up inspections will take place in March in preparation for spring.

Trim-for-View – Please do not trim/cut trees in common areas without prior approval. If you want to trim in the common areas for views at your expense, here is the procedure:

1. Take a picture of the trees to be trimmed.
2. Get an estimate from a qualified tree company (must have a certified arborist on staff)
3. Submit all the above to Joe at PML.
4. The Landscape Committee will review / approve if appropriate
5. The Homeowner pays for trim-for-view work.

Public Safety:

De Anza Traffic Safety – The Public Works Department has completed the design review phase and is selecting contractors for speed cushions to be installed on De Anza between 92 and Laurelwood Park as part of the Traffic Action Plan.

"See Something / Say Something" - Please keep an eye out for behaviors that don't make sense; call the police as necessary. Better safe than sorry. Use 650-522-7700 for non-emergencies.

Emergency Info – Sign up for **San Mateo County's alert system** at www.smcalert.info for email, text, or phone alerts.

PLEASE FOLLOW CC&Rs AND CITY CODES

Trash/Recycling (subject to fines) -- Per CC&Rs Section 8.7 and SM City Code, bins need to be kept out of sight, except on pickup day or the day prior. SMMC 7.16.040 states that bins may not be placed out before 12pm the day prior to collection and must be removed by midnight on collection day. Bins may not be stored in sight from a street, neighboring lot, or common area.

Dog Controls (subject to fines) – Please pick up after your dogs, per law and CC&Rs (§8.6(d)). Leaving a pile or bag of dog poop for

someone else to clean up is not helpful. And please note that San Mateo law and HOA CC&Rs require dogs be on a leash at all times in our neighborhoods, in addition to keeping barking under control and not a nuisance.

Visitor Parking (subject to fines) – Since there is no room for street parking on the private streets, there are specific areas for visitor parking, whether it is a visitor from out of town or visitors providing service (landscape, handy work, cleaning, etc.). These spaces must be kept available for visitors, per CC&Rs Sec 8.12(c), **subject to fine.**

Tennis Courts Access – The tennis courts are under the control of Denali HOA. Please contact PML if you need a key (\$50) to enter. **Access is for Sugarloaf or Denali residents only. Guests must be accompanied by residents at all times. No exceptions.**

OUR GOVERNING DOCUMENTS

As a reminder, the Association Bylaws, CC&Rs, and other HOA docs are posted on our website for your convenience, but you will need a password to open them (password in your newsletter copy).

Electronic Documentation – If you'd prefer to receive your HOA documentation in electronic form, please contact PML to provide your approval to do so. It saves the HOA \$ and gives you better archiving capability for HOA docs. Win-win. Please consider.
